The background is a vibrant green with a subtle pattern of small white dots. In the top left corner, there is a close-up of a green, scaly monster head with large, glowing red eyes and sharp teeth. Scattered around the top and right edges are several mobile devices: a smartphone, a tablet, and another smartphone, all displaying various game scenes. The central focus is the text '+600' in large, bold, red-outlined characters, followed by a circular icon containing a white 'H' on a green background. Below this, the words 'GAME POINTS' are written in a clean, white, sans-serif font. Underneath the main text, there are five lines of promotional text in different languages, each followed by a red arrow pointing towards the right. At the bottom left, there is a LEGO Herofactory product box featuring a green and red design with a monster illustration. In the center, a red arrow points from a grey game controller towards a laptop and a tablet. The laptop screen shows a blue interface with a red 'XXXXXXXX-XX' code, and the tablet below it also displays the same code. At the bottom right, there is a black rounded rectangle containing the text 'LEGO.com/herofactory' in white, a white rounded rectangle with a black border containing the text 'Available on the App Store' next to a white smartphone icon, and a standard black and white QR code.
