CARNAGE BY NAME. CARNAGE BY NATURE.

"Alien. Symbiote. Villain. Venom's deadly nemesis is known for leaving a trail of destruction and devastation wherever he goes. The clue is in the name..."

Carnage is such a great villain, so full of character, and we loved the challenge of bringing that to life in this model. Fans will instantly recognize his very graphic red and black appearance in this model, with that trademark scary smile and sharp, pointy teeth.

It's always a fun challenge to design something that is 'alive' with LEGO® bricks. Just like Venom, Carnage is a symbiote, so we wanted it to have that organic feel, rather than just a static mask. I think the final look really achieves that.

I hope you enjoy building it, as much as we did designing it!"
LEGO® CREATIVE LEAD JESPER C. NIELSEN

CARNAGE EST SON NOM. CARNAGE EST SA RAISON D'ÊTRE.

« Extraterrestre. Symbiote. Méchant. L'ennemi juré mortel de Venom est réputé pour la destruction et la dévastation qu'il sème partout sur son passage. Son nom dit tout...

Carnage est un grand méchant débordant de personnalité, et nous avons adoré nous attaquer au défi de donner vie à ce modèle. Dans ce modèle, les amateurs reconnaîtront instantanément son aspect rouge et noir très cru, son sourire effrayant caractéristique et ses dents pointues acérées.

Concevoir quelque chose de "vivant" avec des briques LEGO® représente toujours un défi amusant. Tout comme Venom, Carnage est un symbiote, donc nous voulions créer un modèle qui ait l'air vivant, plutôt que de faire un simple masque statique. Je pense que le produit final le rend bien.

J'espère que vous aurez autant de plaisir à le construire que nous en avons eu à le concevoir ! »

JESPER C. NIELSEN, RESPONSABLE DE LA CRÉATION LEGO®

CARNAGE ES SU NOMBRE. MASACRE ES SU RAZÓN DE SER.

"Extraterrestre. Simbionte. Villano. El mortífero archienemigo de Venom es conocido por dejar un rastro de destrucción y devastación por donde pasa. La pista está en el nombre...

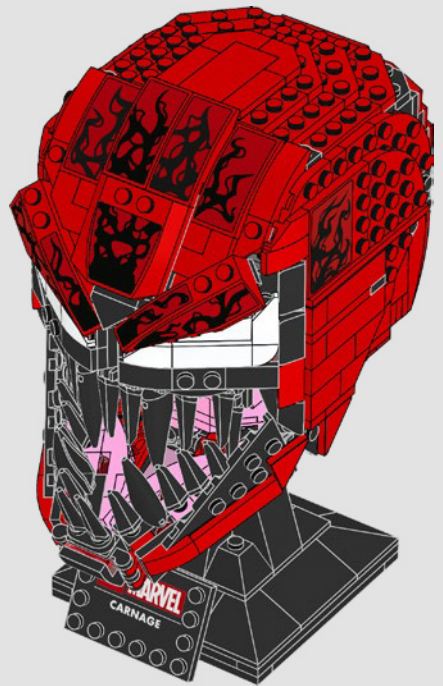

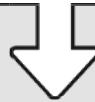

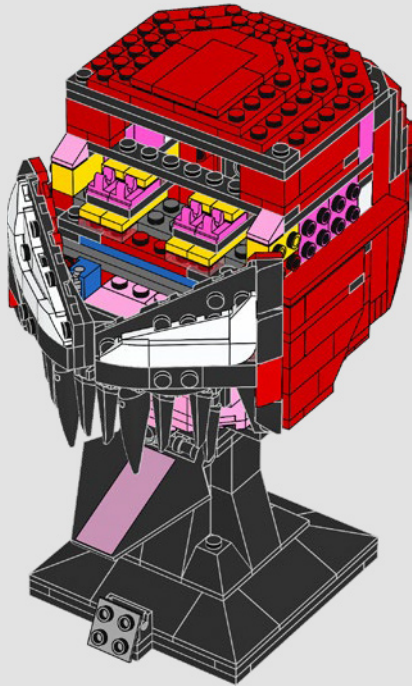

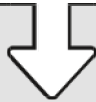

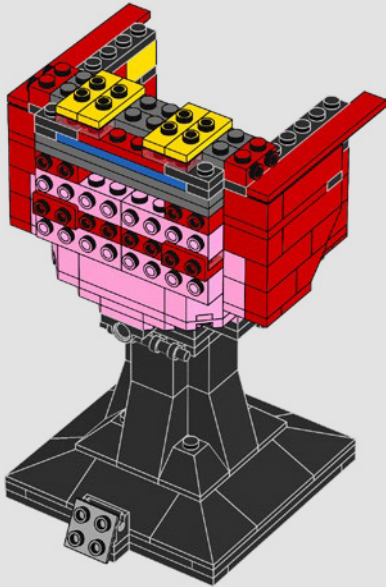

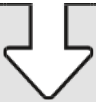

Carnage es un magnífico villano lleno de carácter. Nos entusiasmó aceptar el desafío de darle vida en este modelo. Los fans reconocerán al instante esa apariencia roja y negra tan gráfica en el modelo, con su habitual sonrisa escalofriante y sus dientes afilados y puntiagudos.

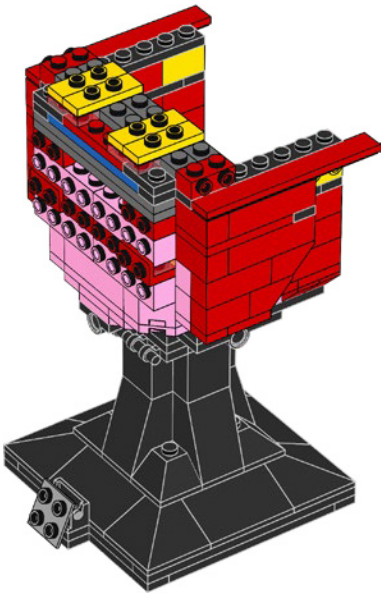

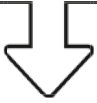

Siempre es un desafío divertido diseñar algo "vivo" con bricks LEGO®. Al igual que Venom, Carnage es un simbionte; queríamos lograr ese aspecto orgánico e ir más allá de una máscara estática. Creo que el resultado final cumple con todas las expectativas.

¡Espero que la pasen tan bien construyéndolo como nosotros la pasamos diseñándolo!"

JESPER C. NIELSEN, JEFE CREATIVO DE LEGO®
