

airtv anywhere

PRODUCT SHEET

Cut the cord. Watch FREE local channels anywhere.

Watch and record local HD channels like ABC, NBC, CBS, FOX, CW, PBS and more* with no monthly fees, at home or on a mobile device.

HD antenna
required

FEATURES AND BENEFITS

- ✓ Watch local HD shows, sports, and news anywhere
- ✓ Record shows with a built-in 1 TB DVR
- ✓ Stream local channels over Wi-Fi at home or on the go with one HD antenna
- ✓ Watch local channels alongside your other channels with the SLING TV® app
- ✓ Works with compatible streaming devices

LOCAL CHANNEL DVR

AirTV offers a whole-home DVR solution. Using the SLING TV app (required), record and play back live content from any compatible device.

Quad Tuner

Watch and/or record up to four shows at once.

Integrated DVR

Recorded content will appear alongside SLING TV's Cloud DVR for seamless integration.

Functionality

Pause, rewind or fast-forward local channel content.

SLING TV subscription not required. *Channel availability varies based on geography.

WATCH ANYTIME, ANYWHERE

With AirTV Anywhere and the free SLING TV app, you can watch live or recorded local channels at home or on the go with a mobile device.
