81. Influence of political discourse
Some people say that the aggressive manner in which politicians and media figures discuss political issues encourages violent acts like the recent shooting. Others say the shooting was just the senseless act of a troubled person and was not influenced by the statements of any public figures. Do you think the tone of discussions in politics and in the media played an important role in the shooting or not?

86. Cost of health care reform

Which comes closer to your opinion? (A) If policymakers made the right changes, they could reform the health care system without spending more money to do it.;
(B) To make any real reforms to the health care system, policymakers will need to spend more money, either by raising some taxes, taking from other programs or
increasing the deficit.
