ITEM
538.1

Service Description

Microwave radio system from Campbell River to Namu.

ITEM
538.2

Conditions of Service

1. Contract expires: December 31, 1994.
2. Subject to continued Industry Canada radio licence approval.
3. Customer responsible for providing the following at Namu:
 - a. Suitable dry, heated and centrally located space for radio equipment.
 - b. A/C power located adjacent to radio equipment.
 - c. Suitable antenna mounting space.
 - d. Actual cost expense for any extensive telephone distribution, wiring or cable requirements.
4. Circuits may be shared with other parties at the discretion of the customer and in no way relieve the customer of the obligation for the monthly rate as specified in this Item. The individual business line rate for the chosen exchange as specified in TCBC General Tariff (CRTC 1005), Item 32, Exchange Rates, applies to each sharing party.

Rates

The customer shall pay the following rates and charges and is subject to all applicable terms and conditions of the Company's Tariffs.

F

Service Item	Monthly Rate
Microwave radio system	\$ 1,500.00 (Notes 1,2)

Note 1: Individual business line service may be selected from any exchange adjacent to Namu. The individual business line rate for the chosen exchange, as specified in TCBC General Tariff (CRTC 1005), Item 32, Exchange Rates, applies in addition to the monthly rate specified in this Item.

Note 2: Extra-ordinary maintenance performed at the specified request of the customer is not included in the monthly rate. Extra-ordinary maintenance is work performed outside of regular hours and/or work which requires specially scheduled aircraft travel. Billing is at the sole discretion of the Company and will include labour and travel expense.
