#### TCI Exchanges - Rate Band and Extended Area Service (EAS) Classifications

- 1. The Rate Band classification of TCI Exchanges, and their respective Extended Area Service (EAS) (General Tariff Item 240) if applicable, are shown below.
- 2. The Individual Line or Multi-line monthly rates specified in General Tariff Item 425.3 Exchange Service include direct-dialed toll-free calls from the Customer's Exchange to its associated EAS calling area(s) listed. The contract Business Individual Line and Multi-line monthly rates specified in General Tariff Item 425.4 (Local Business Contract Option) include EAS. (See General Tariff Item 425.3 for descriptions on Rate Bands and Sub-bands.)
- 3. For Provincial Centrex Service and National Centrex Service (collectively, Centrex Services), direct-dialed toll-free calls shall be available, from the Exchange of a Customer's individual Centrex line to its associated EAS calling area(s) identified in the following tables (see under footnote @), based on the EAS rates and conditions specified in General Tariff Item 240.5 EAS for Centrex Systems. The EAS rates are included\* in the Centrex line rates specified in General Tariff (21461) Item 213, *Centrex Service* (\* see Exceptions specified under General Tariff (CRTC 21461) Item 213.2, *Centrex Service*).
- 4. For the following services, see their respective Tariff Items for EAS Surcharges that shall apply:
  - a) Digital Exchange Service (General Tariff Item 165);
  - b) Inbound Data Access (IDA) Service (General Tariff Item 295); and
  - c) Integrated Services Digital Network-Primary Rate Interface (ISDN-PRI) Service (General Tariff Item 495).
