145 Toll Stations

ITEM

145.1 **Service Description**

In locations where TCI does not supply local exchange service, TCI may, at TCI's sole discretion, install Toll Stations which allow Persons to make Toll Calls from a Toll Station and pay an agent of TCI present at such Toll Station for such calls.

ITEM

145.2 Conditions of Service

- 1. The closest Rate Centre to the Toll Station shall be used to determine rating and billing of calls placed from a Toll Station.
- 2. The TCI agent at the Toll Station may require the user to make a deposit prior to any Toll Call being made from the Toll Station.
- 3. Collect calls and third number billing may be made from the Toll Station.
- 4. TCI shall use the lowest mileage band for rating and billing of calls placed from a Toll Station within the same Rate Centre.

ITEM

145.3 **Rates**

The Customer shall pay the appropriate message toll rates for all calls placed from or received at the Toll Station.
