560.2 **Conditions of Service**

1. Minimum Contract Period: 2 years. (Note 1)
2. The accuracy of the information provided is the responsibility of the customer. The Company accepts no responsibility for the accuracy of such information and its liability with regard to any errors or omissions in its database will be limited to the same extent as set out in the General Tariff (CRTC 21461), General Terms of Service, and subject to the following provisions:

The Company does not warrant the accuracy or completeness of the database, and the Company shall in no event be liable for any errors or omissions in the database.

The service provider will at all times indemnify and save harmless the Company from and against all damages, costs, expenses and liability claimed against or incurred by the Company in connection with any or all claims by a third party or parties in any way relating to the provision of Enhanced 911 Service hereunder, including, without limitation, any and all claims arising from the use of, or inability to use, the said service.

3. If a similar service becomes available through General Tariff CRTC 21461, the customer must migrate to that service.

ITEM

560.3 **Rates**

The customer shall pay the following rates and charges and is subject to all applicable terms and conditions of the Company's Tariffs.

Service Item	Monthly Rate	Service Charge
DID Station, each	\$ 1.30	TCBC General Tariff (CRTC 1005), Item 110, Multi-Element Plan (MEP) Service Charges (Note 2)

Note 1: The termination liability shall be the immediate payment of the present value, as calculated by the Company, of the monthly charges applicable for the unexpired portion of the contract.

Note 2: One (1) Data Processing charge applies per DID station for initial database loading and for subsequent change requests.
