

ITEM

420 **Inter-Customer Premises Optical Fibres – (Alberta Only – excluding the City of Edmonton)**

ITEM

420.1 **Service Description**

Provides for the lease of two (2) direct point-to-point single-mode optical fibres between the Customer's premises. Both premises are located within the same central office serving area.

The fibres have unlimited bandwidth potential.

The Service includes the provision of patch panels on the Customer's premises for terminating the optical fibres at either end. The optical fibres are powered and equipped by the Customer, at its own expense, in a manner which meets its specific requirements.

ITEM

420.2 **Conditions of Service**

1. Initial Service Period: 1-year contract. (Note 1)

ITEM

420.3 **Rates**

The Customer shall pay the following rates and charges and is subject to all applicable terms and conditions of the Company's Tariffs.

F

Service Item	Monthly Rate	Service Charge	Provisioning Charge (One-time)
Optical Fibres, with terminating patch panels two fibres	\$1,200.00		\$7,000.00
Maintenance and administration (Note 2)	\$50.00 (Note 3)		
Data Processing		former TCI General Tariff (CRTC 18001), Item 550.4, Service Charges	

Note 1: If the Customer terminates service prior to the expiry of the contract, the Customer shall pay to the Company all outstanding charges up to the effective date of the termination, plus the monthly charges for the unexpired portion of the contract period.

Note 2: The rate shown provides only the routine maintenance of the physical fiber between the patch panels. All other maintenance, alterations and repairs are subject to separate charges.

Note 3: Subject to rate review.
