### Just Added (Music) **Bon Jovi** *Forever*

This is the first album by Bon Jovi since their lead singer Jon Bon Jovi's vocal cord surgery in 2022. Released as part of the band's 2024 Hulu docuseries *Thank You, Goodnight: The Bon Jovi Story* for their 40th anniversary, *Forever* is a tribute to enduring rock anthems past, present and future.

### Documentaries (Movies) **In Restless Dreams: The Music of Paul Simon**

Through intimate interviews, archival footage and iconic performances, the film explores Paul Simon's six-decade music-making journey, from his early days with Art Garfunkel to his groundbreaking solo career. Directed by award-winning Alex Gibney, this two-part biographical documentary celebrates Simon's evolution and legacy.

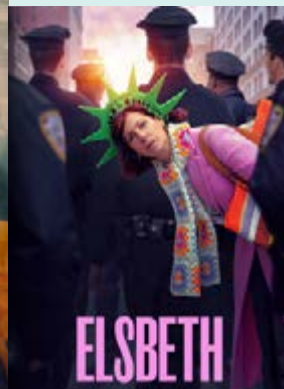

### Acclaimed Dramas (Movies) **Peak Season**

All Amy (Claudia Restrepo) wants is to enjoy a romantic summer getaway in Jackson Hole, Wyoming, with her fiancé Max (Ben Coleman). But when Max neglects Amy for work, she finds herself increasingly drawn to the free-spirited Loren (Derrick Joseph DeBlasis), a local wilderness guide, who leads her on an exploration of the breathtaking surroundings, friendship, life and love.

### Documentaries (TV) **The Jinx S2**

New footage and exclusive interviews with suspected serial killer Robert Durst's closest friends and lawyers reveal more insights and complexities. This riveting six-episode sequel follows the groundbreaking and shocking conclusion of its first season. Both seasons are available on board.

### Brilliant Drama (TV) **Elsbeth**

A spin-off from *The Good Wife* and *The Good Fight*, this 10-episode comedy-drama follows Elsbeth Tascioni (Carrie Preston), an unconventional lawyer and detective. She brilliantly solves a series of murder mysteries with her unique and offbeat observations, sometimes at hilariously inappropriate times.

### The Fall Guy

A thrilling re-imagining of the classic TV series of the same name, *The Fall Guy* seamlessly fuses action and comedy. Ryan Gosling stars as Colt Seavers, a retired stuntman drawn back into the world of Hollywood when a leading actor vanishes. Reunited with his ex-girlfriend, rising director Jody Moreno (Emily Blunt), he navigates a dangerous web of deceit and danger. This film blends spectacular stunts with sharp humour and heart, promising an adrenaline-fuelled adventure that keeps audiences on the edge of their seats.

brat and it's the same but there's three more songs so it's not

### Charli XCX

*Brat and It's the Same but There's Three More Songs so It's Not*

 **STANDOUT TRACK: GIRL, SO CONFUSING**

If 2023 was hailed as the year of *Barbie* and bubblegum pink, then 2024 will be crowned the year of Brat. The pop culture phenomenon, supercharged by Charli XCX's lime green-covered album of the same name, is about being edgy, bold and downright chaotic. These themes are explored throughout her glistening hyper-pop record, leaving their audacious marks all over. However, the brash, blustery moments are also placed alongside unexpected instances of vulnerability and introspection, capturing girlhood in all its messy and beautiful glory. This deluxe edition of *Brat* features an additional three songs.

## POP

### Imagine Dragons

*LOOM*

 **STANDOUT TRACK: KID**

After releasing an ambitious double album in 2022, the popular American band have opted for a more streamlined approach in their latest release. Over 10 explosive tracks, they experiment with their sound by injecting heavy doses of electronica and hip-hop into the band's signature pop-rock style.

## DANCE

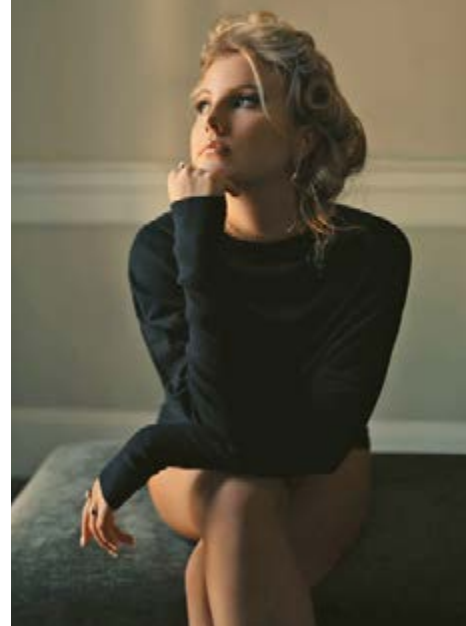

### Maya Blandy

*Stardust*

 **STANDOUT TRACK: B.I.B**

Maya Blandy's first album is as unique and diverse as her background: born in Australia and raised in Portugal, the UK-based singer-songwriter pairs her sultry and confident vocals with an eclectic mix of disco, jazz, soul, pop, RnB and everything in between. Inspired by the likes of Donna Summer, Diana Ross, Beyoncé and more, the rising star's debut is a remarkable showcase of her versatility.

## ROCK

### Bon Jovi

*Forever*

 **STANDOUT TRACK: LIVING PROOF**

According to frontman Jon Bon Jovi, the legendary band's 16th studio album was 10 years in the making. Feel-good songs about brotherhood and melodic rock anthems pepper the record, celebrating the 40th anniversary of the New Jersey rockers' debut. It's a nostalgia-tinged album that charts the band's personal and collective successes and challenges over the decades.

## ROCK

### Neil Young, Crazy Horse

*Early Daze*

 **STANDOUT TRACK: EVERYBODY'S ALONE**

There's always a certain type of rawness and authenticity that comes with Neil Young's archival releases. Comprised of Los Angeles recordings from 1969 by Young and his Crazy Horse members, this album includes early takes of songs like "Come On Baby Let's Go Downtown" and "Winterlong".

**서울의 봄**

한국의 군부 독재자 박정희가 암살된 후 계엄령이 선포된다. 국가가 정치적 혼란에 빠지면서 다양한 군부 세력이 폭력적인 쿠데타에서 통수권을 놓고 다툰다. 수상 경력에 빛나는 이 역사 액션 드라마는 1979년의 실제 군사 반란 사건을 바탕으로 한 영화이다.

**12.12: The Day**

Following the assassination of South Korea's military dictator, Park Chung-hee, martial law is imposed. With the country now plunged into political disarray, various military factions wrestle for control in a violent coup. This award-winning historical action drama is based on the true events of the 1979 military insurrection.

## WI-FI SERVICE OVER THE POLAR REGION

If your flight takes you over or near the North Pole (above about 70°N), expect connectivity to be interrupted while the line of sight to the geostationary satellites, which sit 35,786km above the equator, is lost. Your internet session will reconnect as the aircraft flies south without the need to repurchase.

## MOBILE PHONE AND DATA ROAMING

Mobile and data-roaming coverage are available on most flights.

Data-roaming charges can be very expensive. To avoid unwanted data-roaming charges, put your phone in Airplane Mode and use Wi-Fi instead.

### How to Optimise Your Inflight Wi-Fi Usage

- Close inactive apps.
- Disable auto-downloads, app/software updates and cloud backups.
- Enable low-data mode.
- Pause Wi-Fi session before leaving device idle.
