**Chapter 1 - Grief**

## 1 - Grief

A cool autumn wind blew across the mass of grieving souls, swathed in their black attire. An atmosphere of sadness hung in the air as the group slowly dispersed, only after showing respect to their lost loved one. I would never be able to accept my father's loss, or so it seemed. My father was a kind, gentle soul who had never harmed anyone or anything, and his altruistic attitude only attributed to his multitude of close ones. How he died? No one was really sure.

-In progress. not full chapter silly geese. i just got bored and ill finish it later :DD
