

TECHNET 2024

RESEARCH SHOWCASE

UPDATED:

THINK BIG...

We are looking to schedule 20-minute research presentations to share the results of your latest empirical research, dissertation thesis, senior project, co-op, internship, or research experience related to Information Technology and Cyber. Researchers will present on stage during TechNet Augusta in the Engagement Theater located on the main exhibit floor that hosts more than 200 industry exhibitors and more than 5,000 registered attendees.

Act Now

Researchers interested in sharing their research ideas, or the latest technological advance with the AFCEA TechNet Augusta community are asked to **submit a presentation proposal including draft slides no later than Monday, 01 May 2024**. Presentations submitted after this date or not selected for showcase will be considered for the Research Poster Show or future events.
