Informed Consent

I agree to take part in this study. I understand that this project has been reviewed by, and received ethics clearance through, the X Research Ethics Committee. I understand that my participation is voluntary and that I am free to withdraw at any point during the questionnaire, though due to the anonymous nature of the study this will not be possible at a later date. I understand that my data shall be stored securely under the Data Protection Act and only used for the purposes of the study. I understand that the data will only be accessed by the researcher, X, and will be used for research, which might be published at a future date.

What if there is a problem?

If you have a question or a concern about any aspect of this project, please speak to X, X, who will do his best to answer your query. X should acknowledge your concern within 10 working days and give you an indication of how he intends to deal with it. If you remain unhappy or wish to make a formal complaint, please contact the chair of the Research Ethics Committee at X (X). The chair will seek to resolve the matter in a reasonably quick manner.

Permission

I certify that I am 18 years of age or over.

I have read the above terms and agree to participate.

Thank you for your participation and good luck in the prize draw.
