ASHRAE Technical FAQ

ID	101

Question	How can I report a possible error in an ASHRAE Standard or Guideline?

Answer	Visit www.ashrae.org/standards-research--technology/standards-errata for instructions on how to submit errors. These will be reviewed by the ASHRAE Manager of Standards and/or the appropriate Standard or Guideline committee for verification. An erratum will be published when verified and corrected. These errata are available for free download from the ASHRAE website.
