INFORMATION

2024-25

WELCOME TO YEAR 8

I would like to extend a warm welcome to you and your daughter and I hope you will feel at home here in Belfast Model School for Girls. I appreciate that the move from Primary school to 'big school' can present unique challenges for both parents and students. Please be assured therefore, that much effort is made to ensure a smooth transition and that your daughter is happy from the outset.

For many of the students this will be the first opportunity to develop their independence; it could be the first time travelling on a bus on their own, organising their school bag and following a timetable. Please remember this is not the first time we have welcomed Year 8 students into our school. Our Year 8 team bring with them a wealth of experience and we specialise in putting the students at their ease and in helping them develop positive relationships with both students and staff. Throughout Year 8, students will meet regularly with their Form Tutor and will also have the support of myself and the Assistant Leader of Learning, as well as older students. We have encountered practically every problem or dilemma and will do our utmost to resolve any issues that may arise.

This is also a time of great excitement for our Year 8 students, in the months and years ahead your daughter will be able to enjoy new subject areas, pursue new activities, form new friendships as well as achieve great results.

OUR VISION STATEMENT

Our Vision Statement summarises our beliefs and commitments to you and your daughter.

Belfast Model School for Girls is a vibrant, inclusive learning community. We work in partnership with parents and the local and wider community. Wrapped within a culture of care, support and challenge, all are safe, happy, respected and valued. We are committed to delivering progressive, personalised, high quality education and opportunities to empower all to become the very best that they can be: Model citizens; Model learners; Model professionals.

We look forward to the year ahead and hope and pray that it will be a healthy, rewarding and enjoyable Year 8 for all of our students, parents and staff.

Let today be the start of something new!

Mrs S McKeown - Year 8 Leader of Learning

Our school Mission statement is 'Achievement for All' and as a school we provide many opportunities for students to achieve in many ways. I hope that your daughter will avail of the wealth of opportunities on offer.

"...as a school we provide for students to achieve in many ways"

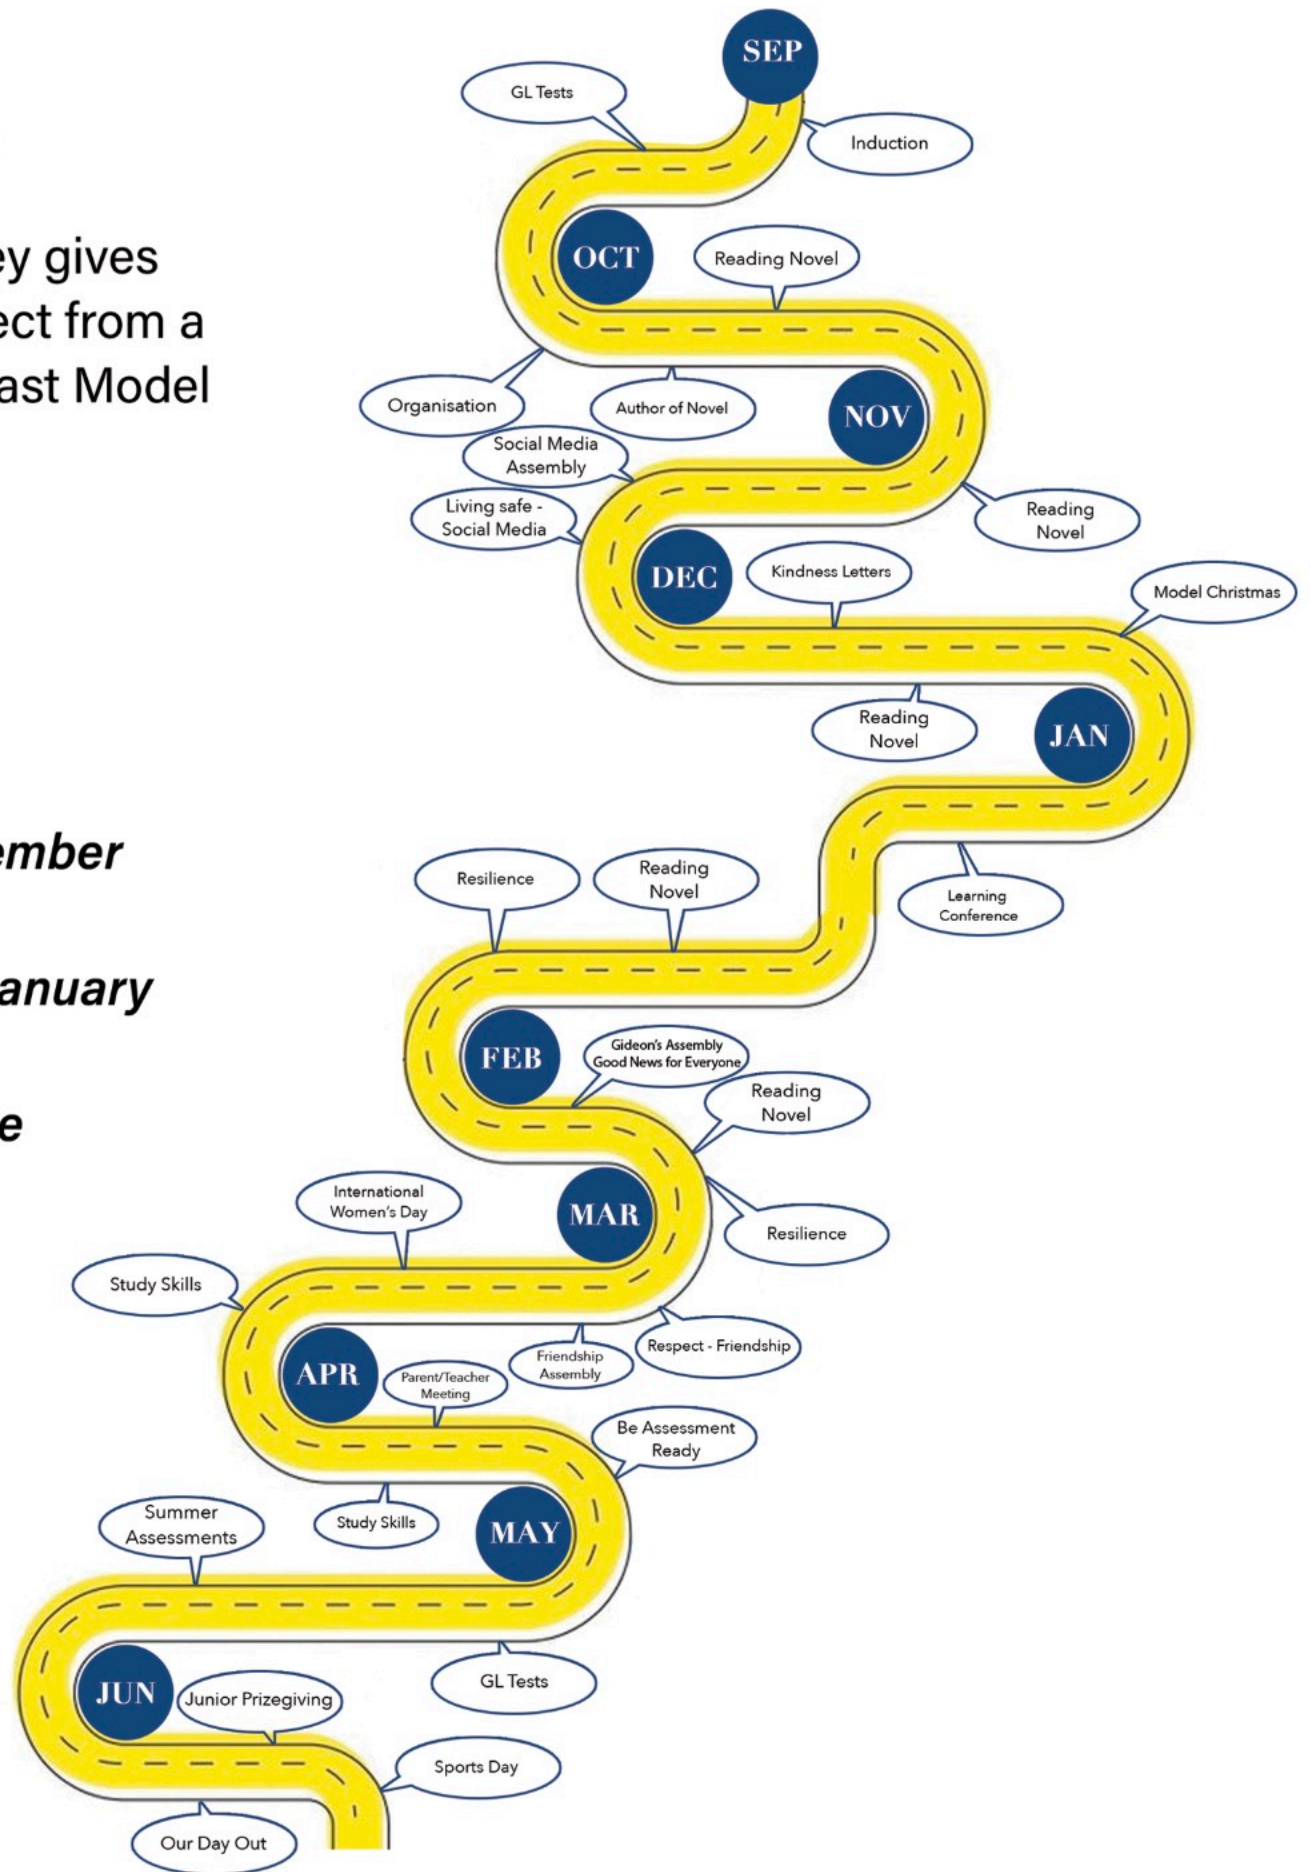

As well as new opportunities and challenges, Year 8 is also a fresh start for everyone. George Eliot said, "It is never too late to be what you might have been." In Belfast Model School for Girls we believe that every student can be who or whatever they want to be. In an atmosphere of respect, care and love we encourage every student to believe in themselves, their talents and abilities and to believe and hold tight to their hopes and dreams for the future. Your daughter is a valued member of our school and her well-being is paramount.

ATTEND TODAY

ACHIEVE TOMORROW

A school year is very short. It has only 185 days for students. This leaves 180 days for holidays and activities at home. A school week is also very short. Most students spend 7 to 7½ hours at school on each of the five days they attend during term time. This means only approximately one third of a school day is spent in school. Most of the day and the week is spent at home. Time in school is precious. Absence from school and lateness to school can have a negative effect on a student's educational progress, achievement and employment prospects. Therefore, daily attendance and excellent punctuality is our goal for all students, in line with our mission statement 'Achievement for All'. Students must be in school when they are expected to be.

To ensure that absence is kept to a minimum and that all non-urgent appointments are made outside of school hours. It is appreciated that this can be difficult, however pupils finish at 2.25pm on Thursday and Friday which does allow most of Thursday and Friday afternoons for non-urgent appointments. Students must be collected by a parent or guardian when leaving school before the end of the school day.

KEY REASONS TO ATTEND:

Although good attendance is expected, we do reward students for full and improved attendance. We have termly certificates and prize draws for students as well as class and year group incentives. We have an annual Attendance Award Ceremony where we celebrate excellent attendance in school. We hope you will be able to join with us next year because your daughter has attended school every day in Year 8!

ATTENDANCE TRAFFIC LIGHTS

Every month the students are made aware of their attendance percentage and number of days missed. The students discuss this with their Form Tutor and decide whether it is on target or in need of improvement using the idea of traffic lights. They note their attendance information in their Student Planner. What surprises some students and also parents is that 90% attendance is not good; as it would be in a test or assessment!

Every single day a child is absent from school equates to a day of lost learning.

PASTORAL PROGRAMME

At Belfast Model School for Girls we believe in building character and instilling values which are important in shaping the girls as model citizens within the community.

Our Model Mind to be Kind programme is about helping young people understand the importance of demonstrating kindness, showing respect and living without harm not just to those people who are like them but to people who are not like them: How we relate to people who don't think the same way as us, or believe the same things, is a crucial skill that needs to be taught. These 3 principles will be addressed in assemblies and form period throughout the year.

Alongside our Model Mind to be Kind programme we will also cover the following areas:

<i>Respect</i>	<i>The Animal in Amy</i>	<i>Organisation</i>	<i>Resilience</i>
<i>Confidence & Self Belief</i>	<i>Positive Relationships</i>	<i>Healthy Mind & Body</i>	<i>Study Skills</i>

Principle 1: Doing Acts of Kindness

- a. Students are kind in what they think about themselves and others who are different to them
- b. Students can recognise acts of kindness in themselves and others who are not the same as them

TERM 1

Principle 2: Showing Respect

- a. Students are able to accept other people have different views to them and that it is OK that they do
- b. Students are able to show people respect at all times even if they don't like them, what they say/do or what they believe

TERM 2

Principle 3: Living without harm

- a. Students can recognise unkind actions in themselves and others

CONTACTING US

If you have a question, query or concern about any aspect of school life, please contact:

Where at all possible, parents should avoid coming to the school without an appointment. Instead we ask that you ring ahead to seek an appointment at a time when the member of staff who you need to speak to is free. This avoids any interruptions to teaching and learning, as we do not allow teachers to leave classes for meetings.

Please ring the school, leave a message with our reception team with a brief outline of the issue and the member of staff will call you back as soon as they can. It is reasonable that this call may come the next day (for example, some staff teach all day without a break and then may have a personal appointment/child-care arrangement after school). Alternatively, you can leave a note in your daughter's planner requesting a call back.

PLEASE NOTE:

Where parents feel their complaint is of a very serious nature, or relates to the health, safety and/or wellbeing of a young person, they should make contact with the Principal or Vice-Principals

WELLBEING

HUB

Students can use the Wellbeing Hub to get help and support in relation to health and emotional needs, for example, paracetamol, plasters, hygiene items, uniform, access to counselling services and supports.

Medical Protocol

If a student needs to take medication in school:

It is essential data capture forms are returned to let staff know if there is a short or long term medical issue.

Student will be issued with a 'Wellbeing Hub card' giving permission to leave class to go and take their medication when required.

Louise Finlay will be based in the Wellbeing Hub at these times to administer medication.

To access The Wellbeing Hub students should:

- 1 Speak to their class teacher
- 2 Class teacher to email Louise Finlay who will go to the student.
*Student must **NOT** be allowed to go to the office*

CURRICULUM MODEL

In Belfast Model School for Girls we understand that talent and capability are only the starting point. We believe that effort and determination are key to success.

We encourage our students to embrace a growth mindset. We know that intelligence can be developed. We help our students to become resilient and persistent learners who embrace challenges and who see failure as an opportunity to learn. We strive and work hard together to ensure 'Achievement for All.'

In Year 8, classes are all-ability across the year group.

Year 8 - Year 10	Teaching Groups	Practical Sets	PE Sets
All classes all-ability across the year group	Students are taught within their Form Class grouping	Students are mixed across the different teaching groups for practical subjects	Students are mixed across the different teaching groups for Physical Education
Access Group	Students are taught within the Access Group across the curriculum		

Students are taught in linear groups which are all-ability teaching groups. For practical subjects students are mixed in all-ability practical sets.

ACCESS GROUP

THE 'ACCESS' GROUP WILL BE A FORM GROUP

The Access Group is made up of those students who we know, for a wide variety of reasons, will need most support with their transfer to post-primary school. This group will have the same specialist teacher for a significant part of their week - for English, Maths, Drama, RE, Literacy and Numeracy - with a focus on the knowledge, skills, competencies and wellbeing needs required to be successful at post-primary school.

YEAR 8 WILL STUDY:

Art	Digital Technology	Drama	English
Geography	History	Home Economics	Learning for Life & Work
Mathematics	Music	Physical Education	Religious Education
Science	Spanish	Technology	

PLEASE NOTE:

- Students in the Access Group will have additional English literacy time in place of a Modern Foreign Language.

FORM GROUPS:

- Your daughter's Form Tutor is a parent's first point of contact.
- Form Groups and Teaching Groups are the same for most subjects.
- Form Groups and Teaching Groups are all ability and follow the same learning programme.
