UNITED STATES OF AMERICA

Khartoum, Sudan

November 12, 1981

Your Excellency:

I have the honor to refer to recent discussions between our two governments regarding the status of U.S. Military personnel and civilian employees of the Department of Defense who may be present in the Sudan in connection with their official duties.

As a result of these discussions, I have the honor to propose that such personnel be accorded the same status as provided to the technical and administrative staff of the U.S. Embassy. If the foregoing is acceptable to your government, I have the further honor to propose that this note, together with your reply, shall constitute an agreement between our two governments effective from the date of your reply.

Sincerely
