Re: To Provide, A Public Sanitary Sewer Connection to Wyoming Valley Country Club. 1695
S. Main Street, Hanover Township

Dear Mr. Guesto:

The Wyoming Valley Country Club Sanitary sewer system has been operating with an antiquated onsite septic system. We feel it is time to have a connection to the public sewer system to help the environment and the community.

We are now under Construction to increase our occupancy. We have added an additional 4-
New Fulltime employees and 12 part time employees due to our commitment to the
Hanover Township Community.

At this time, we ask that you please provide us with a Public Sanitary Sewer connection.

Sincerely,

Kenneth R. Ralston

President, Wyoming Valley Country Club
