

Jesse Tree Symbol and Shape Patterns

The Jesse Tree symbol illustrations were drawn by Helen Phillips, a member of Central Reformed Church in Grand Rapids, Michigan, except for the lion which was drawn by Jeff Brown.

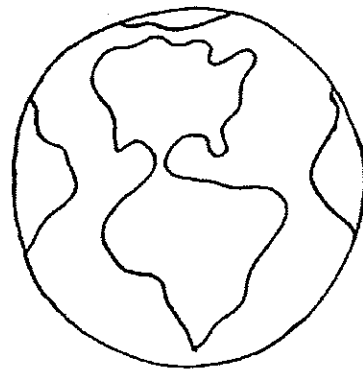

The symbols and patterns are copyrighted by Reformed Church Press. Permission is granted for use by noncommercial organizations, churches, schools, or at home.

Please give credit to Reformed Church Press when using the symbols and patterns.

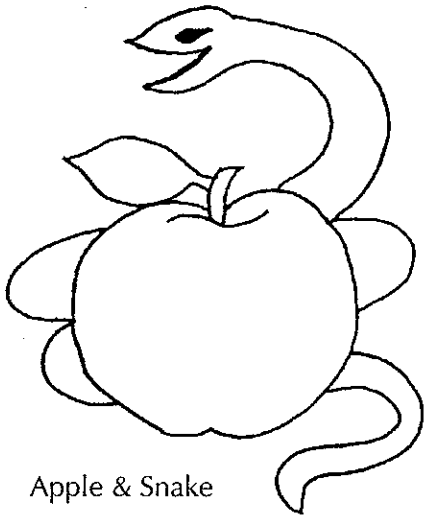

Because the number of days in Advent varies each year, all of the symbols may not be used in a given year.
