

## **Belief Statements**

- We believe that God is the foundation of our students' academic, social, and religious growth.
- We believe our focus is on academic excellence and spiritual growth which enables our students to attain their God given potential.
- We believe that our Catholic faith develops the whole child physically, academically, and emotionally.
- We believe that each child will develop an all-encompassing education consisting of academic achievement, moral leadership, and a faith in Jesus that continues to grow into adulthood.
- We believe that the education of students is a partnership between the school, parish, home and community.
- We believe that our school provides an environment of safety and love for children to develop their God given talents.
- We believe in a school community that fosters each child building a relationship with God and others through service to the parish community.
