

If you're looking for tips, techniques and ways to improve your models, join

SILICON VALLEY SCALE MODELERS (SVSM)

One of the largest scale modelling clubs in the U.S. and one of the most fun! Modelers of every skill level and of every subject matter share their insights and works so that everyone can enjoy modelling more!

You don't have to be experienced to join SVSM – in fact, newcomers can benefit from the club more by learning from the experiences of others rather than by trial-and-error with their own models. Get the latest on news of the modelling world and enjoy the work of the Bay Area's best modelers!

A small portion of one meeting's show & tell is pictured above

Meetings are held every third Friday of the month at the:
Community Room, Milpitas Police Administration Building
1275 N. Milpitas Blvd, Milpitas, CA. Starting at 7:30 PM

Our policy is to keep business to a minimum in order to do as much show and tell as we can possibly fit into one evening! We encourage you to BRING YOUR MODELS – FINISHED OR NOT! And be part of SVSM for a night
