MEMORANDUM

TO: VTA Board of Directors
FROM: Carolyn M. Gonot, General Manager/CEO 
DATE: June 21, 2024
SUBJECT: Appointment of Chief Government Affairs Officer

Beverly Greene has been selected as the new Chief Government Affairs Officer for VTA. After an extensive search, we received a very qualified applicant pool, from which we interviewed five strong candidates from across the country, before selecting Ms. Greene. Ms. Greene was the unanimous selection of the panel, and I am pleased to say she accepted our offer, and she will be joining us effective June 24.

Ms. Greene comes to us from AC Transit, where she is the Executive Director of External Affairs, Marketing & Communications. She has been with AC Transit since 2007, and in this role since 2017. During her time at AC Transit, she held positions as the Assistant General Manager, External Affairs & Communications, Director of Legislative Affairs & Community Relations, Public Affairs & Communications Manager and more.

Her educational background includes a BS in Business Administration from the University of Southern California and an MBA in Marketing at The Anderson School at UCLA. She also completed the program Senior Executives in State and Local Government at the Harvard Kennedy School.

She is very involved at the regional, state, and federal level. She completed Leadership APTA in 2013 and has been very involved with APTA since. She is currently the Chair of the California Transit Association's Legislative Committee and Chair of APTA's Membership Committee. We are fortunate to have someone of her connections, experience, and caliber join the team!

We are looking forward to having Beverly Greene join the executive team, and to drive our Government Affairs and Board Secretary Office into the future.
