WORKSHOP ON "ASSESSMENT AS PEDAGOGY".

RDF facilitates each individual and worker to groom in their respective fields. In this regard, the principal of People's School Mirpur Bathoro participated in the training sessions which were conducted on January 7th and 14th '2023 on the subject "Assessment as Pedagogy" with Dr. Takbir Hussain as the facilitator at Agha Khan University in Karachi. The emphasis of the seminar was on the formative and summative assessments as well as the use of contemporary tools to dynamically evaluate students, make evaluations simple for students to complete and make assessments friendly and admissible to all. The instructor concentrated on the Blooms taxonomy's six levels, command words, and marking scheme.

SUCCESSFUL SCHOOL LEADERSHIP TRAINING

The Oxford University-sponsored workshop on "Successful School Leadership" was attended by the principal of the People's School Mirpur Bathoro on January 21, 2023 in Hyderabad. This program focused on the behavior of a leader of successful schools. Trainers named, Ms. Seema Khalid and Ms. Sobia, focused on the "Digital Literacy, Blended Learning, ECE and Multiple Intelligence." Also, emphasized the importance of the role of the school administrator and the best ways to teach ECE.

THATTA REGIONAL OFFICE (SEF) TEAM VISIT

On January 17, 2023, Mr. Muhammad Adnan and his team from Thatta Regional Office visited People's School Mirpur Bathoro to learn about the academics and ongoing strategies implemented there. During their visit, they interacted with the students, received the answers of the questions asked about the facilities, the learning environment, and any complaints they had. They were impressed by the RDF team's efforts after their analysis.

SEF Karachi Head Office Team Visit

On January 24, 2023, Mr. Adil Hussain and Mr. Nisar Ali from the Evaluation and Data Analysis Department Head Office, Karachi, visited school to inspect the attendance records, pay rolls, invent, visitors' registers, staff attendance registers, school registration records, teaching and learning techniques exercised in the classroom, lab equipments for science and computer classes, facilities provided and cleanliness. They also asked the staff about their payrolls and communicated with the students about the education system. Additionally, they appreciated the RDF team's record-keeping efforts.

COUNSELLING ROOM

The school administration has set up a counselling center for kids to work on their behavior, morals, and attitudes. Teachers from various grade levels dedicated themselves to helping kids transform and develop into decent citizens.

PHYSICAL ENVIRONMENT OF THE SCHOOL

Teachers at PSMB have created and modified various ideas on the walls of school and soft boards in the classrooms to provide visual learning for the children at school. RDF aids pupils in studying from every angle. RDF provides stationery and other things to decorate classrooms.

REMEDIAL SUPPORT FOR SLOW LEARNERS

To give slow learners the chance to complete the syllabus and their themes while not feeling deprived, PSMB administration has begun offering sessions for slow learners at the school on every Saturday. We seize the chance to aid students in developing and demonstrating their abilities in the field of education
