- Leading with Excellence: Introducing the Prefect Body at People's School Mirpur Bathoro.
- Ration Distribution among Support Staff of the school
- Green Initiative: Drive for a Thriving Environment at People's School Mirpur Bathoro
- Empowering Environmental Stewardship through The Environment Club

Participation of Students in Competition for International Conference on Climate change

FA group of five students of Peoples' School Mirpur Bathoro took part in IQ test and presentation skill test organized by RDF for selection of students to participate in an international conference being organized by RDF and its partner KNH. The conference is scheduled to be held in the month of September 2023 in Germany.

Leading with Excellence: Introducing the Prefect Body at People's School Mirpur Bathoro.

Peoples' School Mirpur Bathoro (PSMB) has established a Prefect Council comprising 30 student leaders as the institute values the importance of discipline in the development of school-going children. This respected body includes 13 prefects, with each class represented by a monitor. Mr. Ghulam Maroof, is a Sindhi teacher and oversees the council's affairs. The Prefect Council aims to create a conducive learning environment that promotes character development and upholds the values of PSMB.

Ration Distribution among Support Staff of the school

Research and Development Foundation took the initiative to distribute ration bags and provide cash payments to the dedicated lower staff and to demonstrate an unwavering support during the sacred month of Ramadan. The staff expressed immense happiness and gratitude upon receiving the essential provisions and cash assistance, which contributed to making their Eid celebrations even more joyful.

Green Initiative: Drive for a Thriving Environment at People's School Mirpur Bathoro

A notable Plantation Drive was celebrated, with the honorable presence of Madam Aqsa from the Head Office in Hyderabad and Madam Sahiba from the Field Office in Tando Adam, both representing the Research and Development Foundation. Their active involvement in the drive played a pivotal role in motivating students to participate and take ownership of this important initiative. All students of PSMB equally contributed towards making our institute more beautiful and greener. Together, we strive to nurture a sustainable and eco-friendly atmosphere.

Empowering Environmental Stewardship through The Environment Club

The Environment Club at our school, an esteemed student-led organization, arranged a highly impactful session under the guidance of Madam Aqsa, representing the Research and Development Foundation's Head office in Hyderabad. This meticulously organized event witnessed an enthusiastic and substantial turnout of students who demonstrated a genuine ardor for knowledge acquisition.
