Final Term Assessment

The Annual Examinations for the academic session 2022-23 were held From May 8 to May 16 at the PSMB. Total **225** students from Grade IV to VIII appeared in the annual examinations, whereas students from pre-School to grade III were promoted as per policy of the Government of Sindh. The students did well on the exams during the last term. Students in every grade exhibited a positive attitude towards learning, which indicates a significant development.

As compared to their midterm scores, the students' results show an improvement in their final term examinations. Students that received pretty well scores and passed their exams are deemed to make up **26.22%** of the student population. Overall, Exam pass rates remained **77.11%**. The students who could not do well in the Examinations are being recalled for refresher courses during vacations and given a chance to appear in re-sit examination to be held in July (before commencement of new academic session 2023-24).

School Topper

We are happy to share the session 2022–2023's top performer. Student **Mubaris Raza** scored the highest position in the examinations by securing **1,065** marks out of **1,450**.

Parents Teachers Meeting

Parent teacher Meeting (PTM) was held on 22nd of May 2023 at the school to discuss children's performance with their parents and seek their cooperation for holistic development of their children. PSMB believes that PTM fosters a strong partnership between parents and the school, creating a collaborative environment where both school management and parents work together for the child's education and development. Parents were found happy to see the performance of their children as well as teachers discussed on the weak areas of the children which need parents' attention and assistance.

Media Coverage of PTM

Prominent local TV channels and Web Channels visited PSMB and documented the views of students and their parents during the PTM. Parents were highly appreciative of the learning environment for their children at PSMB, while they thanked SEF, The Sindh Government and RDF for establishing a state-of-the-art education facility in their area which offers quality education free of cost.

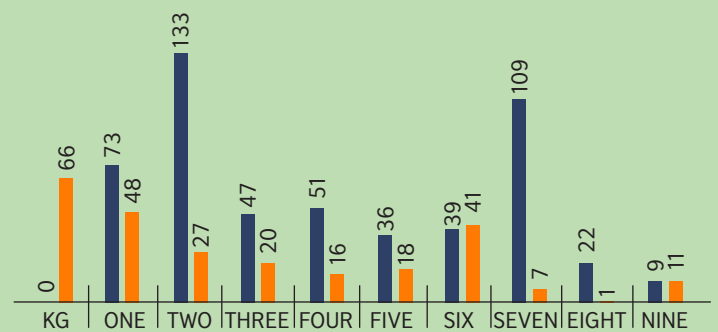

New Admissions at PSMB

The PSMB team launched its admissions drive for the session 2023-24 in May 2023. There has been a very positive response by the community. PSMB got applications for enrollment of 255 children in various classes in just three weeks period. The interest of children and community demonstrate the quality education provided by the PSMB. The decision on admissions will be taken at the start of the session 2023-24 in the first week of August in consultation with SEF.

PSMB ENROLLMENT STATUS

■ Session 22-23 ■ Session 23-24
