Fixed Rate Mortgages

If you are worried about the interest rates changing, then guaranteeing your monthly payments could make sense. With a Fixed Rate Mortgage you can relax because you'll know exactly what your repayments will be every month, for your chosen product's fixed term. The rate of interest is set for the duration of your fixed rate mortgage term, allowing you to plan your finances. It is possible that variable rates may fall below the fixed rate during the fixed rate period. A range of short and medium term fixed rate mortgages are available with various rates as shown in the tables below:

Representative example

A mortgage of £125,000.00 taken for a term of 25 years on a fixed rate of 5.17% for 2 years, reverting to our variable rate of 7.87% (variable) for the remaining 20 years would require 24 monthly payments of £743.17 followed by 276 payments of £940.80. The total amount payable would be £277,546.41 made up of the loan amount plus interest £152,496.41, and a title management fee of £50.

The overall cost for comparison is 7.6% APRC representative.

Early Repayment Charges

During the early repayment charge period, overpayments can be made up to 10% of the outstanding mortgage balance on last anniversary or account open date without incurring an early repayment charge. Overpayment payments that exceed 10% of the outstanding mortgage balance on anniversary or account open date within any contractual year will incur an early repayment charge.

Service Options

When reviewing your mortgage we will offer an advised service. This is where we collect information about your personal circumstances so that we can recommend a mortgage that is suitable for you.

Product Fees

Please see the rate tables for the Product Fee Options applicable.

Option 1

There is no Product fee.

Option 2

A Product fee of £449 is payable on fixed rates.

Adding fees to your loan

If you choose any of the above mortgages, we offer the option to add the Product fee to your loan, up to a maximum advance of 90% of the current value of the property or the limitations of individual products. This means that when you apply for your mortgage, you don't have to pay these fees up front. Instead you could add them to your mortgage amount and pay them off over the mortgage term.

Please remember that this will be treated as part of the loan and you will therefore pay interest on the additional amount over the full mortgage term.

Please note that all of our mortgages are strictly limited offers which may be withdrawn at any time, without notice. However, the mortgage you choose will be reserved for you for 6 months once your application has been received, along with any applicable fee. Until your application has been received, the mortgage cannot be reserved for you. So, if you're interested in a particular offer, please talk to a member of staff as soon as possible.
