Payment Table

Personal current accounts and Personal savings accounts

EFFECTIVE FROM 1 JANUARY 2024

The timetable set out in the Payment Table may be suspended where there are abnormal or unforeseeable circumstances beyond our control, the consequences of which would have been unavoidable despite all our efforts to the contrary. We also reserve the right to suspend or delay a payment either into or out of your account where we, acting reasonably, decide to carry out further checks. In these circumstances we will still seek to comply with our statutory obligations for execution of the payment under the Payment Services Regulations 2017 (as amended).

The Payment Table assumes the following:

- payments are in sterling, unless it says otherwise.
- the entry date is a Monday.
- there are no non-Business Days in the relevant period.

The Payment Table only applies to those parts of the transaction which take place (i) wholly within the United Kingdom where the payment transaction is in sterling; and (ii) wholly within the Qualifying Area where the payment transaction is in euro or the payment transaction involves only one currency conversion between euro and sterling provided that the currency conversion is carried out in the United Kingdom and any cross border transfer takes place in euro. In all other cases, the Payment Table will only apply to those parts of the payment transaction which take place within the United Kingdom..

'Current standard spending limits' - means the current standard spending limits that apply when You give Us an instruction to take funds from Your Account using a particular method (such as a card). We may have agreed individual spending limits with You which are different. The spending limit always depends on the available balance plus any Arranged Overdraft in Your Account. Where the limit is detailed as 'Does not apply' this means that the limit is the available balance plus any Arranged Overdraft in the account.

'Cut-off time' - means a time, (as set out in the Payment Table) usually towards the end of the Business Day, after which any payment order received (whether to credit or debit your account) will be deemed to have been received on the following Business Day. The Cut-off time for any payment order received at a branch counter will always be before the branch closing time on that Business Day. On Christmas Eve (or the last Business Day before 25th December) the Cut-off time for standing order, cheque, direct debit and future dated payments out of your account is 11.30am.

'EEA' - means the European Economic Area, comprising the Member States of the European Union, plus Iceland, Liechtenstein and Norway;

'Entry date' - means either the date a cheque or other item paid into Your Account appears on it, or the date You ask Us to make a payment from Your Account. (In both instances, it is the date We consider ourselves to have received Your payment instruction).

'Foreign payment' - means either:

- Sending money within the UK (in a currency other than sterling);
- Sending money outside the UK (in any currency);
- Receiving money within the UK (in a currency other than sterling); or
- Receiving money from outside the UK (in any currency).

'Guaranteed date' - means the date after which it will no longer be possible for a cheque or other item paid into Your Account to be returned unpaid, unless You give Your consent as the Payee for this, or You are knowingly involved in fraud.

'Internal transfer' - means a payment made between 2 accounts where both the Payer's bank account and the Payee's bank account is held with Northern Bank Limited trading as Danske Bank.

'Maximum execution time' - means in the case of a payment out of Your Account, it is the latest date by which We will have credited the Payee's bank (or its agent) with the payment. On some occasions when using eBanking the period set out in the table may have to be extended. See the notes to the Payment Table.

'Qualifying Area' - means the territory of the United Kingdom and the EEA states;

'Qualifying State' - means each of the EEA states and the United Kingdom;

'Third Party Provider' ("TPP") means an independent provider of services which can offer Account Information Services or Payment Initiation Services to You or which issues instruments for making Card Based Payments out of Your Account.

'Value date' - means the date by which We take account of any item paid into Your Account, or any item paid out of Your Account, when We work out any relevant interest.

'Withdrawal date' - means the date by which You will be able to withdraw the proceeds of a cheque or any other item paid into Your Account.

- We will credit incoming CHAPS payments and Faster Payments on a Business Day (see definitions at the start of the Payment Table for more details).
- If you withdraw funds against a Faster Payment before the Value date, you may receive less credit interest or have to pay debit interest.
- Standing Orders can only be received via Faster Payments up until 6pm Monday to Friday (excluding English Bank holidays).
- The Cut-off time applies to payments where we are advised by the payer's bank that it should be treated as having same day value.
- The Value date will never be later than the date we receive the funds, provided they are received before the Cut-off time. The Value date will be shown on the advice note or other notification we send to you about the payment. If you withdraw funds against a foreign payment into your account before the Value date you may receive less credit interest or have to pay debit interest.
- If you pay cash into your account (subject to the terms and conditions for your account) at a Post Office® branch we will make the funds available to you immediately. The Value date will also be the same day that you made the deposit. Although your available balance will be adjusted immediately the Entry date which appears on your statement will be the next Business Day.
- For some Original Credits the Value date will be the date that the payment is actually credited to our bank account.

Cheques paid into your account

The table below shows the processing times that will apply when you deposit a sterling cheque which is drawn on a bank in the UK and paid into your current or savings account to clear (sometimes called the clearing cycle). It assumes that the cheque is paid in at a counter of a Danske Bank branch in Northern Ireland. You can also make a cheque payment into your account at most Post Office® branches in Northern Ireland. It is important that you read the Notes to this section carefully.

Note: Cheques drawn on a Northern Ireland bank cannot be presented for payment on a Northern Ireland bank holiday.

All times are quoted using 24 Hour clock. The Image Clearing Process commenced on 30 October 2017 and has now been fully implemented.

Notes on cheque payments into your account

- If you deposit a cheque, at one of our branches, to a bank account held with us on a Saturday, the Entry date will be Saturday, and all other dates in the clearing process will be as detailed in the table above.
- The exact time when the amount of the cheque can be withdrawn will not be separately advised to you. However you will notice that your available balance will have been changed by the amount of the cheque. You can view your available balance within eBanking or at any of our cash machines by requesting a mini statement.
- If you withdraw funds against a cheque before the Value date, you may receive less credit interest or have to pay debit interest. If you withdraw against a cheque before the Guaranteed date and it is returned unpaid, you will still be liable (legally responsible) for the amount of the cheque and any credit interest paid, and we may charge these amounts to your account. If your account is or goes overdrawn, you may also have to pay debit interest and other charges. See our 'Interest rates' and 'Fees and service charges explained' leaflets for more details.
- We have the right to prevent you from withdrawing funds against a cheque before the Withdrawal date.
- If you deposit cheque(s) at a Post Office® branch before the cut off time which applies at that Post Office® branch, we will receive the cheque(s) for processing on the next Business Day and that will be the Entry date for the purposes of the table set out above. Cut off times at Post Office® branches will vary and you should check with the Post Office® branch for details.
- If you deposit cheques at a Post Office® branch after the cut off time applicable to that Post Office® branch, we will receive the cheques for processing two Business Days after the day you made the deposit. 2. eBanking - these are the daily spending limits which apply in any 24 hour period as determined by us.
3. Where a counter service is available on a Saturday cash withdrawals at the counter will be processed that day.
4. The Bank reserves the right to limit the amount of cash that you can withdraw from your account at any one time. Where you require to make a large withdrawal then the Bank may decide to make payment to you using alternative means other than cash. For example the Bank may decide to make the payment to you by banker's draft.
5. The Entry date is normally the Business Day after the transaction took place but can be later. We may reduce the available funds on your account at the time the transaction takes place.
6. The Entry date is normally the Business Day after the transaction took place if the transaction was made before 8pm, but can be later. We may reduce the available funds on your account at the time the transaction takes place.
7. If you send a Faster Payment on a Saturday or Sunday or English Bank holiday or after the Cut-off time we will treat the payment as being sent for the purposes of calculation of interest on the following Business Day, where that is not a Saturday, Sunday or English Bank holiday.

This means, for example, that if you withdraw cash at a Post Office® on a Friday or Saturday the Entry date for the purposes of the above table, will be Monday.
15. Sometimes, for your added protection we need to carry out extra checks before making a payment through eBanking. Where this applies the Maximum execution time will be either the time set out under the relevant column of the Payment Table or the close of business on the following Business Day - whichever is the later. We will not always contact you to tell you that the payment may be delayed.
