Seeing RavenSTOCK in action last Saturday made me very proud to be part of Ravenstone. What a fantastic community event where our children had lots of fun!! A huge thanks to the FoR who made it possible!

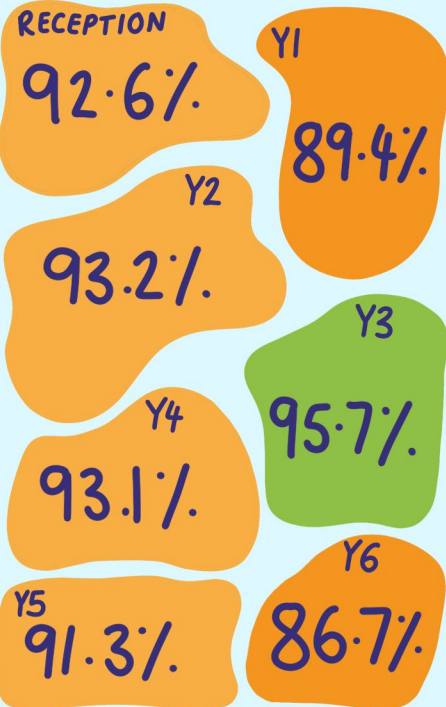

Well-being. We have an array of workshops including understanding behaviour as communication, restorative conversations, Social Media, attachment security and mental health first aid. We hope our staff come away with lots of new insight and strategies to support children across our school. Wishing all our families a nice weekend.

Well done to our nursery children who took part in their sports morning this week and had fun and to the Y6 helpers.

Today all our staff are in training mode under the theme or umbrella of Mental Health and

Mr O’Kane and The Ravenstone Team
